Patient Responsibility: $88.20

IMPORTANT NOTES

1. The $45.00 charge for Dexamethasone Injection (J1100) was denied. Your provider has agreed not to bill you for denied services under your network contract. If you receive a bill for this amount, contact Member Services.

2. The Discount column is the difference between billed charges and the Summit contracted rate. You are not responsible for this amount.

3. Your Cost reflects 20% coinsurance after your deductible, which was met earlier this plan year.
